CARO Soil Air Vapour Summer Guarantee

Until August 31st, 2017, CARO guarantees that our Soil Vapour instrumentation will not delay test results. If this happens, we will test all correlating client project's vapour samples for FREE.

Terms and Conditions:

- Guarantee valid until **August 31, 2017**
- Samples must be taken according to CARO's vapour sampling protocols
- Overloaded TD tubes do not qualify for this guarantee
- Non-CARO TD tubes do not qualify for this guarantee
- Available TAT is based on laboratory capacity and is therefore not guaranteed

Terms and conditions are subject to change without notice.

Complete peace of mind – guaranteed!
