

CARO Analytical Services (CARO) is a group of Charismatic Scientists, driven to make the world safer and healthier. Our IT systems are an essential part of supporting that mission and we are looking to grow and continue to lead the industry in supporting those systems and future developments.

CARO provides professional analytical testing services to public and private clients throughout Canada. As a fast growing and industry leading company, with operations in Edmonton, Kelowna and Richmond, CARO strives to achieve its mission of providing clients with complete peace of mind through the highest level of service, technical excellence and quality control. CARO also has an awesome corporate culture thanks to a great team of employees! We are looking for a motivated and energetic person to join our IT Team. The successful candidate will be a core member of the future success of CARO. As mentioned above, our IT systems continue to play an ever-increasing role in the importance of our future success and continued leadership in the industry will be CARO's strategic advantage over our competitors while servicing our overall mission to work with our clients to make the world safer and healthier.
