

CARO Analytical Services is an employee-owned environmental and food laboratory that provides professional analytical testing services to public and private clients throughout Western Canada. Whether supporting a client cleaning up a contaminated site, providing water quality data to ensure Canadians have access to clean water, or supporting the government in testing our food source for potential pesticide exceedances, CARO provides the data essential to the success of these programs. CARO also happens to have a pretty awesome corporate culture thanks to a great team of employees who take their jobs seriously, but not themselves: We are charismatic scientists, driven to make the world safer and healthier.

DESCRIPTION: MEDICAL LABORATORY TECHNOLOGIST

As a Lab Technologist for CARO Analytical Services' growing laboratory network, your main responsibilities will include:

- Perform Laboratory procedures and analyze results according to established policies.
- Prepare a variety of solutions, reagents, standards and controls for use in analysis, in accordance with the Standard Operating Procedures.
- Performing, interpreting, and releasing results, while ensuring the confidentiality of patient information.
- Perform all required quality control procedures.
- Follow analytical methods in accordance with SOPs and specific study requirements.
- Maintain logs and record as required by quality documents.
- Clean work lab areas, glassware and other reusable labware.
- Complete other administrative duties as directed.

QUALIFICATIONS:

- Certified or eligible for certification with the Canadian Society for Medical Laboratory Science (CSMLS).
- Ability to work independently with minimal supervision.
- Ability to follow Standard Operating Procedures (SOP's) and Work Instructions.
- Punctual, detail orientated with strong record keeping and communication skills.
- Proven organizational planning and project management skills.
- Ability to work well under pressure in a fast-paced environment.

CARO Analytical Services offers attractive potential for career advancement, with competitive remuneration and benefits. If you aspire a career with a thriving, fast paced and growing company with top quality people, consider CARO.
