

CARO Analytical Services is an employee-owned environmental and food laboratory that provides professional analytical testing services to public and private clients throughout Western Canada. Whether supporting a client cleaning up a contaminated site, providing water quality data to ensure Canadians have access to clean water, or supporting the government in testing our food source for potential pesticide exceedances, CARO provides the data essential to the success of these programs. CARO also happens to have a pretty awesome corporate culture thanks to a great team of employees who take their jobs seriously, but not themselves: We are charismatic scientists, driven to make the world safer and healthier.

DESCRIPTION: Laboratory Technician – Edmonton, AB (*Full Time*)

As a Toxicity Laboratory Technician for CARO Analytical Services' growing laboratory network, your main responsibilities will include:

- Ensure that work is conducted in adherence with quality standards.
- Maintain logs and record as required by quality documents.
- Prepare all required reagents, standards, reference materials, etc.
- Perform sample preparation using documented procedures. - filtration, screening, extraction and digestion.
- Perform laboratory analyses following documented specific methods and/or procedures.
- Carry out all required record-keeping and documentation and assist in sample flow and archiving as well as data archiving.
- Operate instrumentation and process analytical data.
- Maintain, troubleshoot, and calibrate instrumentation.
- Assist in developing new and revising existing SOPs and validation schedules.
- Dispose samples according to local regulations.
- Assist to restock laboratory consumables/chemicals, and general laboratory clean-up and maintenance.
- Complete other administrative duties as directed.

QUALIFICATIONS:

- University or College degree/diploma in a related field is required. A Chemistry degree or diploma is preferred.
- Experience with Toxicity analysis (Trout/Daphnia) is an asset.
- Ability to work independently with minimal supervision.
- Ability to follow Standard Operating Procedures (SOP's) and Work Instructions.
- Punctual, detail orientated with strong record keeping and communication skills.
- Managing multiple priorities and deadlines.
- Flexible in working hours (evenings and weekends) during peak periods.

CARO Analytical Services offers attractive potential for career advancement, with competitive remuneration and benefits. If you aspire a career with a thriving, fast paced and growing company with top quality people, consider CARO.
