

CARO Analytical Services is an environmental and food laboratory that provides professional analytical testing services to public and private clients throughout Western Canada. Whether supporting a client cleaning up a contaminated site, providing water quality data to ensure Canadians have access to clean water, or supporting the government in testing our food source for potential pesticide exceedances, CARO provides the data essential to the success of these programs. CARO also happens to have an awesome corporate culture thanks to a great team of employees and scientists who take their jobs seriously, but not themselves:

We are charismatic scientists, driven to make the world safer and healthier.

DESCRIPTION: Warehouse Helper – Richmond, BC

As a Warehouse Helper for CARO Analytical Services' growing laboratory network, your main responsibilities will include:

- Dispose samples and manage waste disposal according to local regulations.
- Track and log all product inventory, ensuring there are no discrepancies or losses.
- Accept deliveries of company products and store them accordingly.
- Inspect all orders being received and shipped, checking for damage, defective parts, and missing items.
- Keep warehouse area clean and organized.
- Complete other administrative duties as directed.

QUALIFICATIONS:

- Must be able to lift up to 40lb and perform repetitive tasks.
- Strong communication skills.
- Detail-oriented and capable of noticing small errors on orders or defective aspects of products.
- Must be capable of managing time effectively and multi-tasking in a fast-paced environment.
- Intermediate Microsoft Excel skills preferred.

Please email your resume to hr@caro.ca and put "Warehouse" in the subject line.
